Michael Savage

Talk radio sensation and *New York Times* bestselling author Michael Savage again goes for the jugular in this latest brash, incendiary attack on the corrosive effects of liberalism on our culture. Where *The Savage Nation* took shots at everything under the political spectrum, this book focuses squarely on the dangers assailing the cornerstones of American life, pointing out how liberal propaganda and agendas are seeping into our churches, our schools, even our families. Bold, sometimes angry, and always controversial, this book is pure, no-holds-barred Michael Savage, one of the strongest, most original voices in America today.
