## **This Is My Home, This Is My School** Jonathan Bean

Drawing from his own childhood experiences, Jonathan Bean takes the autobiographically inspired family he introduced in *Building Our House* through the special rhythms and routines of a homeschooling day. For young Jonathan and his sisters, Mom is the teacher and a whole lot more, and Dad is the best substitute any kid could want. From math, science, and field trips to recess, show-and-tell, and art, a school day with this intrepid, inventive family will seem both completely familiar and totally unique. Includes a selection of family snapshots and a note from the author.
