Zandor: Men of Steel (Volume 4) M J Fields

Zandor Steel had spent the better part of the past year in Italy helping to oversee the building of a posh casino resort. A playground for the rich and famous. After hearing about what had been going on at home, he knew he must return to help his brothers remember who they were. Jase and Cyrus the oldest of the Steel brothers had been his mentors. They taught him to never get attached, and to know the difference between physical needs and the heart. Now he was racing home in hopes that he could stop yet another one of his brothers from making a mistake. Little did he know he was going to come face to face with a beautiful Southern Bell, Bekah George, who would challenge everything he thought he desired. Zandor knew his expectations in the bedroom were not for the faint of heart. He had spent a year living out his sexual fantasies. As he gets to know Bekah, he sees in her the same raw untamed heat that burned within him. But this strong, sexual, woman he is falling for turns out to be a bit broken. He needs to decide if he wants to go back to the lifestyle he had been enjoying, or if he has he fallen too deep?
