Communication Works Teri Gamble, Michael Gamble

Communication Works 11e applies a new **critical thinking framework** to its core content, now in a more user-friendly 15-chapter organization. We have retained and revised the text's practical approach to communication, with a focus on the ways in which diversity, technology, social media, and ethical concerns both enrich and complicate our world. Students will learn what role communication plays in their lives today, in the classroom, and tomorrow, in the working world. And with **Connect Communication**, instructors and students have a print and digital solution to meet the needs of their course.
