## The Oxford Handbook of Case (Oxford Handbooks)

This *Handbook* provides a comprehensive account of current research on case and the morphological and syntactic phenomena associated with it. The semantic roles and grammatical relations indicated by case are fundamental to the whole system of language and have long been a central concern of descriptive and theoretical linguistics. The book opens with the editors' synoptic overview of the main lines of research in the field, which sets out the main issues, challenges, and debates. Some sixty scholars from all over the world then report on the state of play in theoretical, typological, diachronic, and psycholinguistic research. They assess cross-linguistic work on case and case-systems and evaluate a variety of theoretical approaches. They examine current issues and debates from historical, areal, socio-linguistic, and psycholinguistic perspectives. The final part of the book consists of a set of overviews of case systems representative of some of the world's major language families.

The book includes a detailed index and bibliography as well as copious cross-references. It will be of central interest to all scholars and advanced students of syntax and morphology as well as to those working in associated subjects in semantics, typology, and psycholinguistics.

### From reader reviews:

#### **Eunice Bosse:**

Spent a free time and energy to be fun activity to complete! A lot of people spent their sparetime with their family, or their friends. Usually they performing activity like watching television, gonna beach, or picnic in the park. They actually doing same task every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? Could be reading a book may be option to fill your free of charge time/ holiday. The first thing that you ask may be what kinds of e-book that you should read. If you want to try look for book, may be the book untitled The Oxford Handbook of Case (Oxford Handbooks) can be great book to read. May be it may be best activity to you.

#### **Tonia Jensen:**

This The Oxford Handbook of Case (Oxford Handbooks) is great book for you because the content and that is full of information for you who all always deal with world and also have to make decision every minute. That book reveal it data accurately using great plan word or we can claim no rambling sentences within it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tricky core information with splendid delivering sentences. Having The Oxford Handbook of Case (Oxford Handbooks) in your hand like finding the world in your arm, information in it is not ridiculous 1. We can say that no publication that offer you world throughout ten or fifteen tiny right but this guide already do that. So , this can be good reading book. Heya Mr. and Mrs. hectic do you still doubt which?

#### **Myron Mendez:**

Is it anyone who having spare time subsequently spend it whole day simply by watching television programs or just resting on the bed? Do you need something new? This The Oxford Handbook of Case (Oxford Handbooks) can be the respond to, oh how comes? The new book you know. You are and so out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these books have than the others?

#### **Elsie Wallace:**

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's heart or real their pastime. They just do what the professor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Oxford Handbook of Case (Oxford Handbooks) can make you experience more interested to read.
