## The Top Ten Mistakes Leaders Make (Chinese Edition) Hans Finzel

Although leadership is the hot topic on conference agendas and book tours, most people who find themselves in positions of leadership have little or no training for the role. They simply continue to make the same old mistakes. This leadership classic reveals the most common errors that leaders consistently make-regardless of training or age -and the way to stop these bad habits from undermining their positive talents and accomplishments. The Top Ten Mistakes Leaders Make is a must-read for anyone who wants to lead others effectively. "Most leadership books have a short shelf life, but Hans' book has endured the test of time. It's a great read on servant leadership." - Rick Warren, author, The Purpose Drive Life and pastor of Saddleback Church "If you're like me, you've grown weary of the published cookie-cutter approaches on how to lead effectively. And so has Hans Finzel. He drills to the core of the current issues on effective leadership." - Charles R. Swindoll, radio host, author and former president of Dallas Theological Seminary "This is one of the most practical books on leadership I have in my own library. If you are serious about becoming a better leader, you will want to read this book." - John C. Maxwell, author, speaker, and founder of the INJOY Group
