Conversations with a Witch Lois Bourne

Lois Bourne, psychic from childhood and a practicing witch and occultist for over 30 years, has written a book of very personal reflections. She deals frankly with her own remarkable powers and examines the philosophy behind the Craft of the Wise. Exploring such New Age themes as psychometry and clairvoyance, precognition and the secret of invisibility have led her to many strange encounters and experiences. This is a deeply moving book that shows how the mystical and the magical have always been inherent in human life and nature.
