The Hollywood Parents Guide: Your Roadmap to Pursuing Your Child's Dream Bonnie J. Wallace

Accurate, experience-tested information on every step needed to give your child the best possible opportunity to make it in Hollywood. Inspiration. Resources to help you on your own journey, and even help you decide if this dream is right for you and your family to pursue at all.

My daughter Dove and I moved to Los Angeles from an island in Washington State when she was fourteen, armed only with her head shot, resume of community theater roles, and her dream. What I didn't know about what we were doing would fill a large book. Today, Dove is a grounded, successful young woman with her own show on the Disney Channel, and four films to her credit, as well as numerous other TV and music credits. We have been incredibly fortunate, and this book is my way of sharing what we've learned--and what some other parents of young stars have learned--in the hope that more families might save themselves some pain and precious time. Hollywood is filled with tragic stories of people who crashed on the edge of this dream. It doesn't have to be that way. I can help you navigate this world with your child.

Features interviews with industry experts and the parents of other young Hollywood stars, including Olivia Holt, Luke Benward, Cameron Boyce, Ryan McCartan, Jordan Fisher, and more.

Thousands of parents have asked me for just such a book. There are a couple on the market already but they are written by agents or acting coaches.
