## The People Look Like Flowers At Last: New Poems Charles Bukowski

the gas line is leaking, the bird is gone from the  
cage, the skyline is dotted with vultures;  
Benny finally got off the stuff and Betty now has a job  
as a waitress; and  
the chimney sweep was quite delicate as he  
giggled up through the  
soot.

I walked miles through the city and recognized  
nothing as a giant claw ate at my  
stomach while the inside of my head felt  
airy as if I was about to go  
mad.

it's not so much that nothing means  
anything but more that it keeps meaning  
nothing,  
there's no release, just gurus and self-  
appointed gods and hucksters.  
the more people say, the less there is to say.  
even the best books are dry sawdust.

—from "fingernails; nostrils; shoelaces"
