Overcoming Worry - Discovery Series: Turning Fear into Faith David Egener

Worry is something we all experience to some degree. The challenge is how we choose to deal with it: Do we give into our fears or turn to God in faith? Overcoming Worry shares Joanie Yoder's intense struggle with fear and worry, and how she realized that total dependence on God—not self-sufficiency—brought her out of darkness. Author David Egener also offers a biblical and practical perspective on how we can put our worries to work for us, rather than allow them to consume us. We aren't immune to worry or its complications, but we can actively trust God with the unknown and experience the beauty of His peace.
