A History of Interior Design John Pile

The first edition of this major survey on interior design by John Pile won the 2001 ASID (American Society of Interior Designers) Educational Foundation/Joel Polsky Prize. Now this standard history has been updated to reflect greater coverage of non-Western design, as well as vernacular and residential interiors. A deeper exploration of sustainable design and a CD-ROM with an interactive presentation of periods and styles makes this the most relevant text available. Includes more than 500 photographs and drawings in color and black and white.
