Enjoy this free festive treat from HarperImpulse this winter...

Inspired by roaring campfires and the cold nights of the Pacific Northwest, a group of HarperImpulse authors came together to write their own round robin style romance.

Sitting around our virtual fire, one author starts the tale before passing it off to the person beside them and so on... The story builds as each person adds their part, concluding when it reaches the one who started it. The result is this charming, beautifully told romance 'For Clara'.

So wherever you are – at home on your sofa, a steaming mug of hot chocolate in your hand, or snuggled into your softest scarf on the commute to work – imagine yourself out there in the wild, the crackle and hiss of the wood burning, the glow of the fire warming you through. Sit back, relax and let our authors entertain you for a while...
