Reaching for God: The Benedictine Oblate Way of Life Roberta Werner OSB

Reaching for God is a compendium of Benedictine life and prayer for oblates. It brings together in one volume the essence of Benedictine spirituality-its history, its relevance through the ages and in the present, and a summary of the most fundamental gifts and values it offers for living a meaningful life. Here, the meaning and purpose of the oblate way of life is explained in a clear and encouraging way. Werner offers guidance and examples of prayer to enrich any spiritual life.

Sister Roberta Werner, OSB, having worked as a teacher, caregiver, and educational administrator, is now the assistant oblate director at St. Benedict's Monastery in St. Joseph, Minnesota. In this role, she guides an oblate discussion group, contributes to oblate newsletter publications, has set up an oblate library, and makes the spiritual journey with the many oblates who connect with her and with the monastery in their search for God.
