Standalone story - NO CLIFFHANGER!

This story is part of the Full Moon Rising world, but can be read on its own!

Helsing Sorensen is a cursed werewolf. The victim of cruel experiments, he is now half vampire - a dangerous creature unfit to be near humans. His only wish is to find a cure - before he hurts someone against his will.

Monica Summers is a former stripper with no job, no boyfriend, and no prospects. She has a weakness for bad boys, and she can't help it - sexy, mysterious Helsing drives her wild, if only he'd give her the time of day. When she finds out what he really is, she can either run for her life - or become the only woman who can help him.

When they go on the run, their journey to cure Helsing might bring them together - or it might be the last trip they ever take...
