Friendship Matters: Communication, Dialectics, and the Life Course (Communication and Social Order) William K. Rawlins

In this volume, Dr. Rawlins traces and investigates the varieties, tensions, and functions of friendship for males and females throughout the life course. Using both conceptual and illustrative chapters, the book portrays the degrees of involvement, choice, risk, ambivalence, and ambiguity within friendships, and explores the emotional texture of interactions among friends. A concluding section examines the prospects for friendship in the course of our post-modern blurring of public and private domains and discursive sites.
