Our World in Transition: Making Sense of a Changing World Diarmuid O'Murchu

O'Murchu presents his startling and challenging theory that we live in age of transistion, where the old ways of relating to the world and each other are now redundnat; he argues that the coming together over thelast thirty years of ecological concerns, scientific exploration,human seeking and spiritual consciousness is the only way forward if we are to continue to be able to live on this planet.
