A Practical Guide to Deliverance: Food for the children Dr. J G Steyn

The subject of deliverance or exorcism, conjures up pictures of horror scenes in the minds of most people. Commonly, deliverance practices are a mixture of folklore and misquoted Biblical verses or false teachings. The Spirit-filled believer who knows the authority he moves in will approach deliverance in a different way. This where this book excels, it sets the record straight by dispelling nonsense theories with solid Bible based teaching. The reader is left with a sound foundation to minister from. This non-denominational book is also ideal as a reference manual for teaching on the subject of deliverance. The book is a 'must read' for every believer as it teaches principles which everyone needs to know and live by.
