Beckett and Musicality Sara Jane Bailes, Nicholas Till

Discussion concerning the "musicality" of Samuel Beckett's writing now constitutes a familiar critical trope in Beckett Studies, one that continues to be informed by the still-emerging evidence of Beckett's engagement with music throughout his personal and literary life, and by the ongoing interest of musicians in Beckett's work. In Beckett's drama and prose writings, the relationship with music plays out in implicit and explicit ways. Several of his works incorporate canonical music by composers such as Schubert and Beethoven. Other works integrate music as a compositional element, in dialogue or tension with text and image, while others adopt rhythm, repetition and pause to the extent that the texts themselves appear to be "scored". But what, precisely, does it mean to say that a piece of prose or writing for theatre, radio or screen, is "musical"? The essays included in this book explore a number of ways in which Beckett's writings engage with and are engaged by musicality, discussing familiar and less familiar works by Beckett in detail. Ranging from the scholarly to the personal in their respective modes of response, and informed by approaches from performance and musicology, literary studies, philosophy, musical composition and creative practice, these essays provide a critical examination of the ways we might comprehend musicality as a definitive and often overlooked attribute throughout Beckett's work.

From reader reviews:

Blanche Watson:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each reserve has different aim or even goal; it means that e-book has different type. Some people truly feel enjoy to spend their time and energy to read a book. They are reading whatever they consider because their hobby is usually reading a book. Think about the person who don't like studying a book? Sometime, man feel need book when they found difficult problem or maybe exercise. Well, probably you will require this Beckett and Musicality.

Johnnie Santiago:

Is it you who having spare time and then spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This Beckett and Musicality can be the respond to, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this fresh era is common not a geek activity. So what these books have than the others?

Darrin Russell:

That publication can make you to feel relax. This book Beckett and Musicality was colorful and of course has pictures around. As we know that book Beckett and Musicality has many kinds or category. Start from kids until teens. For example Naruto or Detective Conan you can read and believe that you are the character on there. So , not at all of book are make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading that.

Richard Oneal:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Beckett and Musicality can make you experience more interested to read.
