This Game Has No Loyalty Part II - Hustle for Life JUNE

In Part one Junior learned the hustling game was something he couldn't take for granted; now in Part two he finds himself trying to recover from the destroyed friendships, partnerships and relationships.

He's faced with a possible life term in prison if he's convicted for the unsolved murders in Baptiste and while he is trying to stay free from the penal system his relationship with his girlfriend Shondra is in total chaos because of the lies about his continuous involvement with his mistress Muffin. His once flourishing drug business has dwindled down to nothing and he loses the money, power, and respect he once reveled in.

Drowning in all the chaos surrounding his life, Junior turns to the only person left standing in his corner, Muffin. He is determined to put himself back in the driver's seat of his life and he and Muffin set out on a mission to reclaim all that was once his. This seems easier said than done when he gets the shock of his life that comes from his past.

In the game of life...life is Complex.

In the hustling game...hustling is Power.

In the game of love...Love Is...
