"The Indian Jesuit priest, Father Anthony de Mello (1931-1987) is well known due to his numerous publications which, translated into various languages, have been widely circulated in many countries of the world, though not all of these texts were authorized by him for publication. His works, which almost always take the form of brief stories, contain some valid elements of oriental wisdom. These can be helpful in achieving self-mastery, in breaking the bonds and feelings that keep us from being free, and in approaching with serenity the various vicissitudes of life. Especially in his early writings, Father de Mello, while revealing the influence of Buddhist and Taoist spiritual currents, remained within the lines of Christian spirituality. In these books, he treats the different kinds of prayer: petition, intercession and praise, as well as contemplation of the mysteries of the life of Christ, etc." - <http://www.vatican.va>
