Culture and Customs of Syria (Cultures and Customs of the World)

John A. Shoup III

Culture and Customs of Syria (Cultures and Customs of the World) John A. Shoup III

Syria has served as a major crossroads in the Middle East since prehistoric times, leaving it open to change and passing customs from other societies. Syria's melting pot of cultures has led it to become an ethnically diverse country, sometimes leading to turbulence among other countries as well as within its own borders. Focusing on contemporary traditions, topics such as religion, cuisine, fashion, music, and art unveil Syria's true modern-day culture. Readers will discover how Syrians live today-what they eat, what they wear, and how they celebrate life in today's conflicted Middle East. Ideal for high school students and general readers, *Culture and Customs of Syria* serves as a staple for all library shelves.

From reader reviews:

Linda Gaitan:

Have you spare time for just a day? What do you do when you have far more or little spare time? Yeah, you can choose the suitable activity for spend your time. Any person spent their own spare time to take a stroll, shopping, or went to the Mall. How about open as well as read a book entitled Culture and Customs of Syria (Cultures and Customs of the World)? Maybe it is to become best activity for you. You understand beside you can spend your time along with your favorite's book, you can cleverer than before. Do you agree with it is opinion or you have some other opinion?

Juan Crowe:

What do you about book? It is not important along? Or just adding material when you need something to explain what the ones you have problem? How about your extra time? Or are you busy particular person? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every individual has many questions above. They have to answer that question simply because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this specific Culture and Customs of Syria (Cultures and Customs of the World) to read.

Joyce Pippin:

Nowadays reading books become more than want or need but also turn into a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge even the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want send more knowledge just go with schooling books but if you want truly feel happy read one together with theme for entertaining for example comic or novel. Typically the Culture and Customs of Syria (Cultures and Customs of the World) is kind of guide which is giving the reader erratic experience.

Diane Welton:

People live in this new morning of lifestyle always make an effort to and must have the spare time or they will get wide range of stress from both way of life and work. So , if we ask do people have time, we will say absolutely sure. People is human not just a robot. Then we question again, what kind of activity have you got when the spare time coming to anyone of course your answer may unlimited right. Then ever try this one, reading guides. It can be your alternative within spending your spare time, the book you have read will be Culture and Customs of Syria (Cultures and Customs of the World).
