## Europe Today: A Twenty-first Century Introduction

Now in its fifth edition, *Europe Today* presents unrivaled coverage of developments in major European countries and across the region. Thoroughly revised and updated—with a new introduction and an added chapter on Spain—this is the only work that offers a sustained and unified set of both country case studies and thematic chapters on the European Union. Written by leading scholars from Europe and North America, the book offers a range of perspectives on the process of European integration, the evolution of economic performance, the spread of judicial authority, and the reaction to multiculturalism and immigration. Highlighting the impact of the global economic crisis and the struggle to assert Europe's voice more widely, the contributors provide a cosmopolitan and pragmatic assessment of what Europeans have accomplished and what challenges they continue to face. Each chapter builds on a foundation of basic political information and explanation to develop distinctive and thought-provoking contributions to current debates. A book that informs but also engages, this comprehensive text will lead readers toward a coherent and informed view of Europe today.

**Contributions by:** Gianfranco Baldini, Simon Duke, Eric S. Einhorn, Gregory W. Fuller, Gabriel Goodliffe, Roberta Haar, Jonathan Hopkin, Erik Jones, R.
