**The Race to the White Continent: Voyages to the Antarctic** Alan Gurney

**A fascinating account of the early days of Antarctic exploration from an expert storyteller.**

In the 1830s, the forbidding Antarctic region represented the ultimate mystery. The prospect of discovering a lucrative whaling ground made this uncharted and untapped region especially enticing. Three expeditions to the pole were launched simultaneously by the United States, France, and Britain, each vying to be the first to venture farther south than any vessel had ever sailed before. These expeditions paved the way for the explorers, traders, and whalers of what was to become known as the "Heroic Age" of Antarctic exploration. *The Race to the White Continent* is a captivating account of their adventures.

### **From reader reviews:**

#### **Dennis Byrd:**

What do you think about book? It is just for students since they're still students or that for all people in the world, what best subject for that? Only you can be answered for that question above. Every person has various personality and hobby for each and every other. Don't to be pushed someone or something that they don't want do that. You must know how great along with important the book The Race to the White Continent: Voyages to the Antarctic. All type of book is it possible to see on many methods. You can look for the internet sources or other social media.

#### **Robert Thomas:**

Many people spending their moment by playing outside having friends, fun activity with family or just watching TV all day every day. You can have new activity to pay your whole day by studying a book. Ugh, think reading a book really can hard because you have to accept the book everywhere? It ok you can have the e-book, having everywhere you want in your Smart phone. Like The Race to the White Continent: Voyages to the Antarctic which is keeping the e-book version. So , why not try out this book? Let's see.

#### **Scott Smith:**

Is it you who having spare time after that spend it whole day through watching television programs or just lying down on the bed? Do you need something totally new? This The Race to the White Continent: Voyages to the Antarctic can be the reply, oh how comes? It's a book you know. You are consequently out of date, spending your time by reading in this brand new era is common not a nerd activity. So what these ebooks have than the others?

#### **Joseph Mack:**

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's internal or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Race to the White Continent: Voyages to the Antarctic can make you truly feel more interested to read.
