Do you want to give your son or daughter a special gift that they will treasure and refer to throughout their life? Or would you like to give a friend or family member a gift they can pass along to their own child?

Each chapter of this book allows you, as a father, to share with your child your own stories or stories about others, your own life experiences, and inspirational or motivational quotes that serve to guide your son or daughter when you're no longer with them on a daily basis.

Authored by YOU, it's the ideal gift to give your child when:

- they graduate from high school or college
- they move out on their own
- they begin a new stage of their life, or
- you want to somehow be with them when you can't.

It's a gift for any occasion when you feel it's the right time to pass along to your child what you have learned or experienced during your own life. A book from you, written by you.

It's truly a personal and timeless legacy unlike anything else you can give to them.
