Personality Theories: Development, Growth, and Diversity (5th Edition)

Bem P. Allen

Personality Theories: Development, Growth, and Diversity (5th Edition) Bem P. Allen

This text provides a comprehensive introduction to the key personality theorists by combining biographical information on each theorist with his or her contributions to the field, including her or his ranking among the world's most respected psychologists. In addition, Allen provides a tabular format—that is, a running comparison between the major theorists, allowing students to analyze new theories against theories learned in previous chapters. The unique style of Allen's book is strengthened through his conversational tone, enabling students to easily grasp an understanding of the key people and movements in the field of personality.
