## **Stephen King Goes to the Movies** Stephen King

Stephen King revisits five of his favorite short stories that have been turned into films: *The Shawshank Redemption* (based on the novella "Rita Hayworth and the Shawshank Redemption") was nominated for seven Academy Awards, including Best Picture and best actor for Morgan Freeman. *1408* starred John Cusack and Samuel L. Jackson and was a huge box office success in 2007. The short story "Children of the Corn" was adapted into the popular *Children of the Corn*. *The Mangler* was inspired by King's loathing for laundry machines from his own experience working in a laundromat. *Hearts in Atlantis* (based on "Low Men in Yellow Coats," the first part of the novel *Hearts in Atlantis*) starred Anthony Hopkins.

This collection features new commentary and introductions to all of these stories in a treasure-trove of movie trivia.
