True Spanking Stories, Volume I, is a unique collection of over 44 true spanking accounts. In this huge anthology of over 88,990 words, (~ 360 typed pages) dozens of real men and women reveal their spanking experiences and feelings. The spankings are vividly described by spankers, spankees and sometimes an amazed observer.

Whether you already crave spanking or being spanked, or are discovering spanking for the first time, here is a collection you will enjoy again and again. It has been called a “must-have for spankos,” an “incredible collection with a surprise on every page,” a “spanking classic” and “the second-most important spanking book in the last twenty years.”

The rainbow of real experiences includes erotic, play and discipline spankings. It includes every relationship. Every position. Bare hand and every implement. Every technique, ritual and detail. Every physical feeling and especially every thought and emotion. In short, you relive every kind of spanking experience, from easy, pleasurable and sizzling erotic, to ordeals of anticipation, humiliation and pain.

The story titles alone show the colorful tapestry of spanking activities. “Memories of a Girls’ Reform School Guard” recounts severe discipline and humiliation. A failing marriage is saved in “Wife’s First Spanking Changes Marriage.” “Absent-minded Spanking Dad” is a hilarious memoir. In “Parking Lot Spanking,” a man witnesses a severe punishment, then realizes he knows the people involved.

“Notorious Ohio Spanking Case” describes a spanking that landed the spanker in court---- with a surprising and controversial result. “Canings in England,” “Spankings with a Scottish Tawse” and other letters keenly describe severe spanking methods. In “Four Housemates,” young women sharing a home devise painful discipline to ensure domestic peace. “Carly Simon’s Spanking Solution” tells how the famous singer overcame crippling stage fright.

“Corner Time Comments” rounds up many accounts of a hallowed spanking ritual. “Spanked at the Department Store,” “Spanked in the Park and at the Beach” and “Surprise at the Golf Course” recount painful spankings where one would least expect them. In “Teaching Assistant Spanks Cheating Students,” young ladies learn the painful result of cheating. And much, much more.

If you have the slightest interest or curiosity in spanking, you must have this collection.

#### FROM THE EDITOR

These true spanking letters and accounts are hand-picked from thousands of others. All are from real people, describing their actual spanking experiences. I chose letters with a variety of experiences: different kinds of spanking, of different severity, for different reasons, in different relationships, with all kinds of punishment instruments. I chose letters vividly describing not just the acts, but the physical and emotional feelings of the people involved.

Many of the writers touch on related topics like dominance and submission, embarrassment, restraint, age play, and, of course, sexual feelings and sex.
