Ways of the World, Volume II: Since 1500: A Brief Global History Robert W. Strayer

Ways of the World offers a genuine alternative for world history survey courses. Designed from the beginning as a brief text, *Ways of the World* focuses on the "big picture" of significant historical developments and is thoroughly global in its thematic and comparative approach. The accessible voice of a single author, with long experience in the classroom and in the world history movement, delivers to students an insightful new synthesis, thought provoking questions, and chapter ending sections that invite reflection on the meaning of world history. Available in full color and in combined and split volumes, *Ways of the World* just might be the book you've been waiting for.
