Hard Hats: Book One

Aaron Costa's summer was all planned. Despite having to remodel the family lake house, it would be a vacation of sorts, and he had every intention of enjoying it—until the friend who was supposed to help him got injured and left him in a lurch. He decides to take the opportunity to bond with his son and hires Julian and his roommate, Malachi, to assist.

As a broke college student, Malachi could use the money, and spending the summer with Aaron for eye candy sounds like a dream. "Look but don't touch" becomes his motto. But when Julian starts flaking on his responsibilities and Malachi and Aaron are forced to spend long hours alone together, their mutual attraction is impossible to resist.

Aaron can't fight the temptation sexy Malachi presents. But more than their age difference stands in their way, not the least of which is Aaron's semi-closeted status and the fact that he's never openly discussed his sexuality with his son. He has no idea how Julian will react when he learns his father is not only gay, he's also dating his best friend.
