Baby Bear Kadir Nelson

From Kadir Nelson, winner of the Caldecott Honor and the Coretta Scott King Author and Illustrator Awards, comes a transcendent picture book in the tradition of Margaret Wise Brown about a lost little bear searching for home.

This simple story works on so many levels: as the tale of a bear who finds his way home with the help of his animal friends; as a reassuring way to show children how to comfort themselves and find their way in everyday life; and on a more philosophical level, as a method of teaching readers that by listening to your heart and trusting yourself, you will always find a true home within yourself—and that even when it feels like you are alone, you never really are.
