Coping with Lyme Disease: A Practical Guide to Dealing with Diagnosis and Treatment Denise Lang

Now completely revised and updated-the bible for the thousands who contract Lyme disease each year

Lyme disease, transmitted through the bite of a tick, is one of our nation's fastest-growing epidemics. Since *Coping with Lyme Disease* was first published in 1993, the number of sufferers afflicted by this debilitating condition has grown alarmingly.

Every chapter has been thoroughly revised and new information about the long-term neurological effects of Lyme disease and congenital and chronic versions of the illness has been added.

This comprehensive guide includes

- basic prevention tips
- a detailed catalog of the physical and psychological symptoms to look for
- a complete look at the medical and home care options and insurance policies available to patients
- a special discussion of Lyme's effects on women, children, and the elderly
- an expanded resource guide, with listings of news publications, state-by-state support groups, and special family services

This fully updated third edition informs readers of the latest medical findings in diagnosing and treating Lyme disease-providing crucial information about newly discovered Lyme-related illnesses, electromagnetic procedures, clinical and antibiotic therapies, and curative nutritional products now on the market. A longtime bestseller, this authoritative book is an essential tool for all Lyme disease sufferers.

Marva Larson:

Many people spending their period by playing outside using friends, fun activity together with family or just watching TV all day long. You can have new activity to pay your whole day by examining a book. Ugh, you think reading a book can really hard because you have to accept the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Smart phone. Like Coping with Lyme Disease: A Practical Guide to Dealing with Diagnosis and Treatment which is keeping the e-book version. So , try out this book? Let's find.

Betty Guinn:

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Coping with Lyme Disease: A Practical Guide to Dealing with Diagnosis and Treatment can make you truly feel more interested to read.
