The Quiet Game: Penn Cage is no stranger to death. As a Houston prosecutor he sent sixteen men to death row, and watched seven of them die. But now, in the aftermath of his wife's death, the grief-stricken father packs up his four-year-old daughter, Annie, and returns to his hometown in search of healing. But peace is not what he finds there. After twenty years away, Penn is stunned to find his own family trapped in a web of intrigue and danger.

Turning Angel: Turning Angel marks the long-awaited return of Penn Cage, the lawyer hero of The Quiet Game, and introduces Drew Elliott, the highly respected doctor who saved Penn's life in a hiking accident when they were boys. Drew and Penn sit on the school board of their alma mater, St. Stephen's Prep. When the nude body of a young female student is found, the entire community is shocked - but no one more than Penn, who discovers that his best friend was entangled in a passionate relationship with the girl and may be accused of her murder.

Blood Memory: Catherine "Cat" Ferry is a forensic odontologist, a specialist in bite marks and the clues they provide. In a desperate effort to regain control over a life spiraling out of control, Cat retreats to her hometown of Natchez, Mississippi. But her family's secluded antebellum estate provides no sanctuary. Driven by fragments of her past, Cat attempts a forensic reconstruction of a decades-old crime.
