## **Mastering the Art of Photography Composition: Learn Tips and Tricks for Better Creative Photos for Beginners and Intermediate Photographers**

One of the major problems photographers face is not knowing what it takes to compose a great photo. Often, a photographer will spend long days capturing photos only to return with a set of images that he or she is not completely satisfied with. Sure, the lighting and exposure may have turned out great, but the overall composition of the photos leaves something to be desired. In short, they lack that “wow” factor that they see in other photographers’ shots.

Composition is the foundation in which great photography is built upon. A photo may be properly lit and contain good subject matter, but if it doesn’t have good composition it will never be considered more than an amateur shot. How can you overcome this? We’ll teach you in this book.

**Finally, a Book on the Art of Photography that Teaches Tips and Tricks for Creative Composition!**

Our intention with this book is to teach you the tips and tricks professionals use to craft a great image design
