My Christmas Stepbrother's Baby Foxy Tale

Every year we had our annual Christmas dinner, then the following night a charity ball.

It was all we could do to keep up appearances and pretend that we were all one big happy family.

After that, we'd go our separate ways until the following year.

I couldn't wait for next year.

My dream would finally come true.

I'd be at one of the top law schools in the country and no longer under my family's thumb.

That was what I thought, but there was just that one problem.

I went to a party.

I asked my stepbrother, Carl to help me with my grades.

I thought he would refuse.

He didn't, because he wanted to help me with more than my grades.

I was ever so willing to help him, until the fireworks started and Carl turned as cold as ice.
