It's never too early or too late to learn about money. Follow a class of fifth-graders as they figure out the world of finance, from earning, budgeting, and saving to investing and collecting coins from around the world. Perhaps you'd like to save some money for horseback riding lessons, for college, or for a new music album. In *Savings Tips for Kids*, find out how to save money, just as Mrs. Bond's class learns how to save points that they earn in class. Find out about checking, savings, and other types of accounts you can have at your local bank, and discover the difference between simple and compound interest. Then find out why saving first and spending later instead of borrowing and trying to repay later is the best way to manage your money. Take the mystery out of money matters, and let your money work for you.
