John Reed Swanton

The Indian tribes of North America (Smithsonian Institution / Bureau of American Ethnology, Bulletin No. 145) John Reed Swanton

This is the definitive one-volume guide to the Indian tribes of North America, and it covers all groupings such as nations, confederations, tribes, subtribes, clans, and bands. Formatted as a dictionary, or gazetteer, and organized by state, it includes all known tribal groupings within the state and the many villages where they were located. The text includes such facts as the origin of the tribal name and a brief list of the more important synonyms; the linguistic connections of the tribe; its location; a brief sketch of its history; its population at different periods; and the extent to which its name has been perpetuated geographically.
