Are you living in Morocco? Maybe you are an expat, a foreigner, living there and you need a way to make some income. Did you know that you can make a living without a job? In the 21st Century it is very possible to make money in ways which don't require you to get a job! My name is Bob Martin. I am an American, but have lived in a number of countries as an expat. I make a good living and I have not had a job for many years! You can do it too, and I will show you how! My book, 49 Ways to Make a Living Without a Job will show you 49 different ways that you can do what I do - make a living without getting tied down by a job! My previous edition of this book was called "49 Ways to Make a Living in the Philippines" because I have lived in the Philippines for many years. Many people who read the book told me that it was not about making a living in the Philippines. They all said that it could be used to make a living anywhere in the world! They encouraged me to change it up a bit for the next edition, so I did! I updated all of my ideas, I took out references specifically to the Philippines and made the book completely applicable to a world where people need to make a living, and can do it in non-traditional ways! Start making a good living today, without having to answer to anybody but yourself! You can do it! I know for sure you can, because it is what I have been doing for years! Get all of my secrets when you read the book!
