## **Caesar's Sword** David Pilling

It is the year 568 AD. From his monastic refuge in Brittany, King Arthur's aged grandson, Coel, begins to write the incredible story of his life. Now a monk, he is determined to complete his chronicle before death overtakes him. His tale begins shortly after the death of his famous grandfather at the Battle of Camlann. Britain is plunged into chaos, and Coel and his mother are forced to flee their homeland. They take with them Arthur's famous sword, Caledfwlch, once possessed by Julius Caesar. Known to the Romans as The Red Death, it is said to possess unearthly powers. Caesar's Sword (I): The Red Death follows the adventures of a British warrior of famous descent in the glittering, lethal world of the Late Roman Empire. From the riotous streets of Constantinople, to the racetrack of the Hippodrome and the bloodstained deserts of North Africa, he must fight to recover his birthright and his pride
