Comparative Government and Politics

Rod Hague, Martin Harrop

Comparative Government and Politics Rod Hague, Martin Harrop

The classic introduction to political science has been comprehensively updated for this new edition. Retaining the clarity of expression and breadth of coverage that has made it the introduction of choice for generations of students, it provides a lively and up-to-date account of the events and forces shaping politics in today's interconnected world.

Thoroughly updated throughout, this new edition includes separate chapters on theoretical approaches and research strategies in political science, as well as increased coverage of security, media, culture, law and regulation.

Carefully designed learning features illustrate the text throughout. These include:

- full-page Profiles on individual countries and the European Union, with associated Spotlights linked to each chapter
- on-page glossary definitions for key terms and timelines of key events
- guides to additional learning resources for each chapter
- a companion website providing additional resources and activities

The companion website is available at www.palgrave.com/politics/hague and provides:

- a dictionary of comparative politics
- debates showing both sides of major controversies
- interactive quizzes and essay questions
- a guide to comparative politics on the internet
- web links and an at-a-glance guide to chapter references
- chapter summaries

From reader reviews:

Edward Peterson:

What do you regarding book? It is not important along with you? Or just adding material when you require something to explain what the one you have problem? How about your time? Or are you busy particular person? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every person has many questions above. They need to answer that question due to the fact just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need that Comparative Government and Politics to read.

Elizabeth Ashton:

People live in this new day time of lifestyle always make an effort to and must have the time or they will get lot of stress from both way of life and work. So , once we ask do people have extra time, we will say absolutely yes. People is human not really a robot. Then we question again, what kind of activity do you have when the spare time coming to you actually of course your answer will certainly unlimited right. Then do you ever try this one, reading publications. It can be your alternative in spending your spare time, typically the book you have read is actually Comparative Government and Politics.

Kathy Woodward:

Beside that Comparative Government and Politics in your phone, it might give you a way to get more close to the new knowledge or data. The information and the knowledge you may got here is fresh from your oven so don't end up being worry if you feel like an older people live in narrow small town. It is good thing to have Comparative Government and Politics because this book offers for you readable information. Do you sometimes have book but you do not get what it's facts concerning. Oh come on, that will not end up to happen if you have this with your hand. The Enjoyable blend here cannot be questionable, like treasuring beautiful island. Use you still want to miss this? Find this book and read it from currently!

Maria Smith:

Is it anyone who having spare time subsequently spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Comparative Government and Politics can be the response, oh how comes? It's a book you know. You are so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these publications have than the others?
