Terry Goodkind's first novel, Wizard's First Rule immediately established him as one of the world's bestselling authors. Each subsequent book in the Sword of Truth series sold better than the one before and some twenty million copies of books in the series have now been sold. He lives in the USA.

The envious and evil denizens of the Old World once more launch an attack on the sovereignty of the New World, threatening the security of humanity and all that Richard Cypher, Wielder of the Sword of Truth, holds dear.

A stunningly inventive breakthrough novel that takes the fantasy genre into a new dimension; this fourth novel in the Sword of Truth sequence takes the series on to much darker ground without losing any of its powerful magic and mystery, any of its gripping storytelling quality.
