**?Sue Coakley, Sr. Director, Customer Contact Strategy, Yahoo!**

**About the Book:**

Since the previous edition of *Strategic Database Marketing* was published in 2006, digital tools like Google, e-mail, mobile devices, and social networking sites have completely changed the game. Customer outreach knows no boundaries, program management is more complex, and smart use of databases is absolutely critical to success. With these new challenges, though, come great opportunities?and this thoroughly updated new edition has everything you need to seize them all.

Retaining all the tips, tactics, and strategies that have made *Strategic Database Marketing* the go-to resource for marketers who take their craft seriously, this classic guide gives you the most current tools and techniques for gathering and measuring metrics and making accurate predictions with them.

Completely revised and updated, this new edition covers all the foundational database marketing principles and practices, including:

- Lifetime value (LTV)
- Building profits with recency and frequency
- The off-e-mail sales multiplier
- Customer and subscriber acquisition
- Monetary (RFM) analysis
- Expanding retail store traffic
- Customer segmentation
- Analytics and modeling
- Loyalty marketing
- Measuring the impact of social media
- Testing and control groups
- Business-to-business database marketing

All quizzes, forms, strategies, charts, and graphs are available online for instant reference and downloads. The book also enables you to calculate the lifetime value of your subscribers and customers and sample online databases to quantify your efforts.

The personal customer information stored in your company's database files provides you with a unique and valuable competitive advantage. But are you using that information productively? Is your data difficult if not impossible for frontline employees to access when needed?

*Strategic Database Marketing*, Fourth Edition, is a one-stop resource for making the best possible use of database marketing to meet your strategic goals while keeping up with the changing nature of the market.
