The Secret Me: A Questionnaire Journal 2 Shane Windham

One of the best-selling guided journal series of all time returns with even more of what fans have come to know and love! This, the 15th entry in The Secret Me series, turns its focus back toward what made the very first Questionnaire Journal so successful.

Improving upon the original formula, volume two takes users on an extensive journey; packed with completely new material. Even if you've experienced all other journals by the author, each and every page of this diary-like book has something original to offer. It is also a great way to preview what the rest of the series holds in store, for those of you who are unsure of where to begin or go next.

While not recommended for young children, The Secret Me: A Questionnaire Journal 2 is easily accessible by almost anyone; making it a no-brainer as a gift for any occasion. It is something to be shared by couples, families, and groups of close friends as well.

This outing aims to give journal lovers everywhere an even deeper and more satisfying look within themselves than the first volume managed to. Whether you want to contemplate improbable scenarios, share your unique opinions, document the way other people see who you are, or simply check boxes; this book delivers all of that, and much more!

All entries in The Secret Me series are currently available for sale on Amazon, and include:

- A Biased Perspective**
- A Companion's Relic**
- A Companion's Relic (the naming edition)**

From reader reviews:

Toni Williams:

Nowadays reading books become more and more than want or need but also become a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want send more knowledge just go with training books but if you want truly feel happy read one together with theme for entertaining for example comic or novel. The actual The Secret Me: A Questionnaire Journal 2 is kind of reserve which is giving the reader capricious experience.

Claudia Fox:

Typically the book The Secret Me: A Questionnaire Journal 2 has a lot of information on it. So when you check out this book you can get a lot of help. The book was published by the very famous author. The writer makes some research just before write this book. This kind of book very easy to read you can find the point easily after looking over this book.

Bertha Greene:

This The Secret Me: A Questionnaire Journal 2 is great publication for you because the content which is full of information for you who also always deal with world and possess to make decision every minute. This kind of book reveal it facts accurately using great arrange word or we can state no rambling sentences included. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tough core information with splendid delivering sentences. Having The Secret Me: A Questionnaire Journal 2 in your hand like keeping the world in your arm, facts in it is not ridiculous one particular. We can say that no publication that offer you world throughout ten or fifteen tiny right but this publication already do that. So , this is certainly good reading book. Hey Mr. and Mrs. stressful do you still doubt that?

Jonathan Bean:

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information coming from a book. Book is created or printed or descriptive from each source that filled update of news. In this modern era like now, many ways to get information are available for anyone. From media social just like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just looking for the The Secret Me: A Questionnaire Journal 2 when you needed it?
